Nuclear Fuel Services, Inc. announces Straight “A” Day at the Appalachian Fair

Company rewards Straight “A” students with free admission to the Appalachian Fair

(ERWIN, TENN. – August 24, 2009) – Nuclear Fuel Services, Inc., (NFS), a wholly owned subsidiary of Babcock & Wilcox Nuclear Operations Group, Inc. has announced August 25th, 2009 as Straight “A” Day at the Appalachian Fair.

This Straight “A” Day is the culmination of NFS’ 2008/2009 Goal Card program. The Goal Card program rewards local students and teachers for outstanding academic achievement.

“We are pleased to offer this special day to reward our local students for their achievements,” said NFS President David L. Kudsin. “The Goal Card program has been a mainstay in our community for over 20 years, and has been instrumental in providing encouragement for our communities’ children to achieve high grades in school.”

The Goal Card program provides incentives, such as discounts at local stores, and free admission to local attractions for students and teachers who maintain good grades.

About NFS

Located in Erwin, Tenn., NFS operates a uranium fuel materials production facility to support America’s fleet of nuclear-powered submarines and aircraft carriers. It also converts Cold War-era government stockpiles of highly enriched uranium into material suitable for further processing into commercial nuclear reactor fuel.
